

Gymnasts medal in provincial competition

By Jake Courtepatte

The competitive boys team at Aurora's Evolution Gymnastics competed at the third Ontario Cup this past weekend, bringing home some hardware.

Julian Farano led the way, earning bronze on pommel, and gold on high bar competition. He also missed out on gold in all-around competition by 0.05 points to take home silver.

Phillip Carson and Gregory Thase also found the podium for Evolution, with Carson earning gold on rings and all-around. Thase earned silver in pommel, rings, high bar, and all-around.

The meet was held at Hershey Sportszone in Mississauga, the third in a series of meets to qualify for the Ontario Championships held in Windsor in April.
