

Aurora Soccer Club kicks off international friendlies for Food Pantry

By Jake Courtepatte

The Aurora Soccer Club hosted participants from around the globe on Saturday in the club's annual charity day, in support of the Aurora Food Pantry.

Guests were treated to bouncy castles, a barbecue, and three exciting matchups, culminating in the famous England vs. Scotland match.

Canada and Ireland also teamed up to take on the World, before an open women's game later in the afternoon.

The club will be hosting a touring British Army team in mid-September, open to the public.
