Aurora Youth Soccer hits the pitch for house league festival

By Jake Courtepatte

The Aurora Youth Soccer Club held its annual June Festival last weekend, a chance for house league players of all ages to meet in a two-day tournament across Aurora's fields.

Following a full day of action on Saturday at Sheppard's Bush, Magna, Summit Park, Craddock Park, and Machell Park, the finalists converged on Sunday to determine the best in Aurora in each age group.

The under-13 Girls kicked off early morning, with Lime defeating Royal in penalty kicks in a scoreless game. In under-13 Boys, Orange capped off their tournament with a 2 ? 0 shutout of the first-place Sky Blue.

In under-15, the Girls champs were Yellow after a perfect schedule concluded with a 3 ? 0 finals win over Teal, while the under-15-18 Boys tournament had Sky Blue win a 2 ? 2 game in penalty kicks over Grey.

Ages 12 and below played what a ?festival? format, where no statistics are taken and players work on skills and development.
