

## NORTHERN LIGHTS: Dec. Horoscopes

**By Jodie Cara Lindley**

### Sagittarius

(November 22 ? December 21)

December brings a rebirth of your spirit. You are revisiting old sentimental haunts, and integrating them into your being. Take time for heart-felt concerns and relish old friends and new wishes. Go in the direction of your light.

### Capricorn

(December 22 ? January 19)

Feel radiant in December, because you deserve it! You have worked hard all year, and dug deep. Rewards are now showing up and resolutions are occurring. Enjoy your time in the Sun, Capricorn. Then you can make your next plan.

### Aquarius

(January 20 ? February 18)

Your life is a synergy of hard work, guts and fun in December. Enjoy it Aquarius, there is much good coming your way in the future. Go in your own unique direction and forget the opinions of others. You know what you are doing.

### Pisces

(February 19 ? March 20)

Focus, focus, focus in December. This may be tough for you. You would rather daydream and imagine. Turn your troubles into successes, and use your special energy to get down to work instead. You are much stronger than you think.

### Aries

(March 21 ? April 19)

You are shifting gears this month. It is a movement from being analytical to seeking balance and harmony. You may feel stymied, but just know you are entering a time of considering others. Shapeshift into the possibilities of compromise.

### Taurus

(April 20 ? May 20)

You have a strong drive to achieve in December, and review and revise your progress. Don't be too hard on yourself and others. Get to the bottom of things, but not to the point of obsessive-compulsive behavior. Learn to celebrate too.

### Gemini

(May 21 ? June 20)

Consider December a month of new beginnings. Why? You will be gaining speed and lightening up. Play and have fun. Explore and dare to dream. Use your recent wisdom to see where you have been, and where you are going next.

### Cancer

(June 21 ? July 21)

Be like the ocean this month: willing to ebb and flow. While you usually burn yourself out this time of year, save some time for rest. You don't have to do it all, or nurture everyone else. Allow your sentimentality to wash over you too.

### Leo

(July 22 ? August 22)

Your perspective will be feeling-oriented in December. Spend time at home with loved ones, or visit those you cherish, whether they are near or far. Follow your heart and what feels right. It is time to get out of your head.

### Virgo

(August 23 ? September 22)

You change pace in December, and experience an activation of your freer side. You will lighten up considerably, and want to be loose like the wind. It is okay to let go once and awhile Virgo. Truly follow your bliss and ride the breeze.

Libra

(September 23 ? October 22)

You are seriously committed to what you value this month. Right now that is work, dedication and achievement. But give yourself some time to explore memories of times past too. This will give you some rest and respite.

Scorpio

(October 23 ? November 21)

Invoke the spirit of sharing in December. Share your time, resources and your soul, Scorpio. Get involved and make this time of year a ceremony of peace and joy. Balance what feels off in your life, and seek some harmony.
