

A special thank you to Coach Darren Slind

After eight seasons of coaching in the Aurora Minor Hockey Association (AMHA), Coach Darren Slind is hanging up his skates and his whistle and will not be returning to the AMHA for the 2014/2015 hockey season.

All of Coach Darren's friends, former players and their parents would like to take this opportunity to thank Coach Darren for eight fantastic hockey seasons.

Thank you, Coach Darren, for your time and dedication, for teaching our players about fair, honest play, hard work and TEAMWORK.

Thank you for teaching our players every skill that goes along with being the best hockey player each player could possibly be in Canada's greatest sport.

We will miss the sound of your voice and the sound of your whistle.

Best of luck, and we wish you well, Coach Darren!
