

Aurora Relay for Life raises nearly \$140,000

On behalf of the Aurora planning committee, we would like to congratulate all who participated in the 7th annual Aurora Relay for Life.

With the theme of Super Heroes Unite, we saw 45 teams, and over 400 participants ranging in age from 13-82 years young, come together to raise over \$139,000!

We honoured our survivors and their caregivers, fought cancer (in Sumo suits) and walked the evening away to great entertainment.

To everyone who volunteered their time, came up with creative fundraising ideas, and to those who gave one night to honour those who give so many nights in their personal battles with cancer, we thank you.
