

Ballard's staff are a cut above: resident

I just want to make sure that the general public knows what a wonderful person they have to represent us in their riding.

I am a P.C. and always have been one, but I make sure I check all parties out as the best of what's available in charge.

Mr. Ballard and his wonderful staff are a cut way above the average. They solve your problems fast, very sure of what they do.

They think, act, and do it at once. I can't say enough on how good it is to see the government really work at solving your problem and do it so fast and right.

I do not say you're good unless you are. I am now past 95 years and have seen and dealt with many as a P.C., see how great they are and how lucky we are to have them.

They are Liberal.
