

Community groups recognized by MPP with Queen Elizabeth II Platinum Jubilee Pin

Queen Elizabeth II's death on September 5 was, for many, the passing of a person who had dedicated their lives of public service.

But, in her memory, Aurora and Newmarket continues to recognize those who have showed and continue to show a similar dedication to building the communities in which they serve.

This week, The Auroran continues its look at groups who were honoured with the Federal Government's Queen Elizabeth II Platinum Jubilee Pin by Newmarket-Aurora MP Tony Van Bynen.

The Canadian Platinum Jubilee emblem was created to mark the 70th anniversary of Her Majesty Queen Elizabeth II's accession to the Throne, said MP Van Bynen at the outset of recognizing residents in this way. The emblem is a symbolic statement of the enduring relationship between Canada and the Crown, as personified by our country's Head of State. Without a doubt [recipients] have made our communities better places to live. Each of the recipients has touched their neighbours with kindness, supported those in need, inspired others to join a movement, and demonstrated that regardless of age, we can make a positive difference to those around us.

Thank you for your compassion, energy, and love. I encourage you and others to continue reaching out to those in need, and through the spirit of your actions, let them know they are not alone. Let our communities continue to benefit from your generosity.
