

Community revved up to support Legion

On February 22, a very successful and fun party to kick off the NASCAR season was held at the Royal Canadian Legion, Aurora Branch #385.

The success of this event was in large part due to the sponsors who stepped up and provided a wide array of prizes and gifts for those who attended.

Members of the Branch spearheaded the search for these sponsors and the following contributors deserve acknowledgement and a huge thank you.

While your donations were unselfishly provided, we assure you the members of the Legion will remember your generosity and keep your various companies in mind when seeking specific items for personal purchase in the future.

Our thanks go out to the following sponsors:

- ? Highlands Chev Olds ? Aurora
- ? McAlpine Ford ? Aurora
- ? Toyota Dealership ? Aurora
- ? New Roads ? Newmarket
- ? Smart ? A division of Mercedes-Benz Canada Inc
- ? Jiffy Lube ? Aurora
- ? Labatt Breweries of Canada (Markham office)
- ? Molson's of Canada
- ? Channel 7@Rogers.com
