

Holiday marketplace benefits 360 Kids

The Toronto Montessori School Holiday Marketplace will be a celebration of Canada 150 and will feature artisans and entrepreneurs selling unique locally produced products on November 18.

Organizers have already recruited a number of great vendors, with a wide array of products that will appeal to all ages.

So far, they have vendors selling handcrafted cards, tasty jams and cookies, beautiful bags and scarves, unique bowties, candles, jewelry, games, organic soaps, artwork, clothing, and more!

The event will feature the artistic talents of TMS students and include performances and activities that will attract and entertain all ages.

All members of the community are invited to join TMS for a day to do some great holiday shopping, support local businesses, and give back to an important local charity - 360°kids (www.360kids.ca).

Toronto Montessori School's Holiday Marketplace will take place in the Upper School (500 Elgin Mills Road East) from 11 a.m. ? 4 p.m. on Saturday, November 8.
