

New trustee McRoberts ?humbled? by community support

I am humbled by and grateful for the support shown to me by the voters in Aurora and King. Thank you! As your new YRDSB trustee, I aim to represent you at the Board table to the best of my ability. To my competitors, Ken Turriff and Peter Adams-Luchowski, I say thank you for a good, clean, friendly race. All the best to you both! Now, the work begins.
