

NOTHERN LIGHTS: July Horoscopes

By Jodie Cara Lindley

Cancer (June 21 ? July 21)

Stay centered in your confidence and power this month, Cancer. You have all the willpower you need to accomplish any life task. Trust in yourself. Remember that life doesn't give you that which you cannot handle. You can do it!

Leo (July 22 ? August 22)

Self-awareness is key for you in July, Leo. Change is afoot, so there is no use trying to resist. Have confidence, and allow yourself to be awakened to a greater sense of self. Forces of resistance will be present, but good luck is with you too.

Virgo (August 23 ? September 22)

The fruits of your labour will be presented to you this month, Virgo. Trust and appreciate your accomplishments. Your hard work is paying off! By the end of July, you will see just how much. Until then, just keep on trucking.

Libra (September 23 ? October 22)

What is tying you up in knots, Libra? What is it that you are holding onto so tight? Be aware of your own self-created limits in July. Life will ask you to drop some old patterns and attachments, so be willing to let them go. You don't need them!

Scorpio (October 23 ? November 21)

Welcome the good fortune coming your way, Scorpio. A few last challenges remain in July, but after that, you will feel more like yourself. Your energy and clear direction will return. It will soon be time to apply all that you have learned.

Sagittarius (November 22 ? December 21)

What is being completed now, Sagittarius? You are ready to move into a whole new life cycle, full of energy, fire and creativity. Continue to go with the flow, and welcome abundance. Fulfillment, and what that means to you, is your keyword now.

Capricorn (December 22 ? January 19)

Life is giving you gifts, Capricorn. Accept them with open arms, without delay! July will bring a shift of energy that allows you to receive accomplishment and material gain. It is about time, right? Be alert for messages that bring good news.

Aquarius (January 20 ? February 18)

You will experience a strong urge for liberation this month, Aquarius. Maybe it is time to break free from something restrictive? The choice is yours. But just note, it will be much easier as the month progresses, to go into a new direction.

Pisces (February 19 ? March 20)

Don't hold on so tight, Pisces! Are you aware you are sitting on valuable life force energy? Remember that resistance blocks movement. Let go, and welcome in the fire power you need to burst forward. Your creative genius is needed. Let it out!

Aries (March 21 ? April 19)

Creativity is key for you in July, Aries. After a long period of waiting, it seems the Universe is giving you the green light! Your energy will soar by month's end, and you will feel empowered and strong. Give birth to anything new that cries for expression.

Taurus (April 20 ? May 20)

Trust your perceptions Taurus, but don't live in your head. July will be a busy month, bringing change, movement and depth of insight. Socializing, home and family are most important now, and will be the focus of the above themes. Embrace all of it.

Gemini (May 21 ? June 20)

Give form to your ideas this month, Gemini. After a period of review, you can apply your insights to the real world. By the end of

July, you will feel progress on issues that were tying you up. Be flexible and engage your feeling-sense when problem solving.
