By Brock Weir

Juno and Canadian Country Music Award-winner Paul Brandt is the headliner for the 2016 Wild, Wild West Hoedown.

This will be the second time Brandt has headlined the annual September bash hosted by Magna International, which has grown to become one of York Region's largest fundraisers.

This year's Hoedown gets underway on Friday, September 16 and continues with the main event, where Brandt will take the stage, on Saturday, September 17.

This year, 15 community organizations will share in the event's proceeds which raised a total of \$464,000 last year alone.
