

## The Auroran is your first source for hockey news?

**(Re: SOCHI 2014: Hot. Cool. Yours. Thursday, February 20)**

My wife and I want to express our wonder at your Sochi column on Page 12 of the Thursday, February 20 edition of The Auroran. The paper was delivered before noon yesterday and we were amazed to see the final score of the Women's Ice Hockey Gold Medal Game correctly published as 3 ? 2 in our favour, before the game actually started.

Do you have any lottery numbers or stock tips you can share with your readers?

(Editor's Note: While our writer, David Pietrangelo, is prescient when it comes to hockey ? and, given Sunday's result, it runs in the family! ? his column referred to the Canada ? US preliminary game on February 12. That being said, if we do hear of any stock tips?)
