

Vote strategically to oust Conservatives, says reader

There exists the possibility of the Liberals winning in the riding of Aurora-Oak Ridges-Richmond Hill ? if anyone who is thinking of voting NDP considers voting Liberal instead.

Our riding has been identified by the Huffington Post as a riding where "voting strategically" can make the difference.

Why would I suggest this?

Because I now consider myself to be an ABC (Anybody But Conservative) voter and think there may be other voters out there as well who want to see Canada returning to its core values and principles.

I have had the pleasure of working directly with the local Liberal candidate, Leona Alleslev, and find her to be a credible local candidate who will represent this riding well in Ottawa.

Please consider voting strategically for change--it needs to happen!
