

A letter to Chanel and Zahr at Staples in Aurora

Dear Chanel and Zahr:

I am so sorry you had to put up with this awful man at your counter today.

I heard him yelling at you: "This is ridiculous, you have really screwed me up! Are you kidding me? I have to pick up my son in 10 minutes. You have really screwed me up. Now I have to make two trips!"

This went on for a few minutes while the two of you tried to fix whatever was wrong. Then, he put his hand up in front of your faces and said "Go away! I do not want to talk to you! I do not want to talk to you anymore!" Now, motioning both of you with his hands.

On and on he went, "I don't want to talk to you anymore."

"Go away!" he belted one more time.

I think everyone in line, heck, in the whole store heard this bully. I really hope you were able to take a break to recover. I know I did.
