

Community ranking shows Aurora "on the right path"

The April 2014 issue of MoneySense magazine has identified Aurora as one of the best places in Canada to live; specifically, 24th best place in Canada to live, sixth in Ontario and first in York Region!

In 2012 Aurora was 48th and in 2009 Aurora wasn't even ranked.

It is clear evidence that we are on the right path as we build our community and attract new businesses.

It is clear evidence that the ?Aurora? has been put back in ?Aurora?.

Keep up the good work, Mayor Dawe!
