

Mayor's Breakfast of Champions Spotlight: Special Olympics Ontario-Aurora

Gary Freeman - 3 gold, 1 silver

Mary Haberer - 2 gold, 1 silver

Nathan Kim - 3 gold, 1 silver, 1 bronze

Lloyd Brown, Sport Technical Coordinator of the Special Olympics- Ontario-Aurora team, was the coach who guided them through this event, specifically responsible for Gary and Nathan while Mary was in a different session because of her age group. But, he followed her as much as possible.

The athletes all performed wonderfully, bringing home a dozen medals between them. Not only did they win medals, but they also achieved personal bests: 1 for Mary, 3 for Gary and 5 for Nathan!

With these performances, we are hoping that they may qualify for the national games in Halifax in two years.
