

Mayor's Breakfast of Champions Spotlight: Storm Volleyball ? U13 Girls Storm Monsoon

With eight players returning from the previous year and some brand new additions, we were both excited and uncertain to see how the new season would unfold. One of the early season goals set out by the girls was to win a Gold Medal at U13.

Our team certainly surpassed that goal after winning a medal at every tournament at U13 (2 Golds, 1 Silver, 1 Bronze ? and of course the Provincial Championship!) While talent and hard work will always be appreciated, our team demonstrated what can happen when a group of people decide to work together.

Goal accomplished!
