Why the Tigers?

I believe that the Aurora Tigers are a proven example of an organization that puts the development of the players first, allowing for them to both grow as hockey players but human beings as well. The Tigers are a top contender in the OJHL every year, so I was very excited when I was able to sign with them.

Favourite hockey experience?

My favourite hockey experience thus far would have to be when I skated out onto the ice at the Aurora Community Center for one of our preseason games for the first time. I realized then that this season was going to be special based on the support of the fans and the caliber of our team.
