

## Minor Midget AA Tigers win 2015 Markham Islanders Jerry Jacobs Tourney

Hard work and team play pays off. Heading into their final round-robin game Sunday morning, the Tigers needed a win and some help to advance to the finals.

The Tigers took care of business with a 4 ? 1 win over the Sault Major and they also got the help they needed to secure a spot in the final, finishing second in pool play with 2W, 1L and 1T.

After going down early 1-0 in the Finals vs Georgina, the boy's stormed back with 2 power play goals and a short-handed goal for a 4-1 victory. Congratulations to all the players for a great effort and playing as a team right to the end.
