The Northern Lights ? August Horoscopes

By Jodie Cara Lindley

Leo (July 22 ? August 22)

Tap into your Source energy in August. It is your time now Leo. Use your brilliant warmth and radiance to spotlight yourself, and others. You will want to include your friends into the rays anyway, as you are realizing there is strength in numbers.

Virgo (August 23 ? September 22)

Find your own sense of timing in August. For you, this may be quite speedy. By month's end, you will feel more yourself, tending to the details of life. Allow room for emotions too, as they are your gauge to your special life rhythm.

Libra (September 23 ? October 22)

Release your cares and have fun this month. Relationships will be very nourishing, so spend time with loved ones. You will feel stronger and more loving as August progresses. True balance and harmony will be yours if you let loose a bit.

Scorpio (October 23 ? November 21)

A sense of unity will pervade your consciousness, after a long period of hard work. Reviewing and restructuring aren't always easy. You now deserve some appreciation Scorpio, as it has been a bit of a slog. Find wholeness in August.

Sagittarius (November 22 ? December 21)

New abilities to move, expand, and grow come your way in August. Enjoy the warmth of the summer and take advantage of opportunities that show up. Use your instinct as a guide, and you will come out on top of your personal mountain.

Capricorn (December 22 ? January 19)

Let joy be your beacon in August. Even if elements show up from the depths that cause you discomfort, be willing to let them go. Choose happiness instead. Focus on the silver lining. Remember Capricorn that nobody is perfect, including you!

Aquarius (January 20 ? February 18)

The Eagle is your personal animal totem Aquarius. Envision with its eyes in August. How do you really see yourself? Focus your eagle eye gaze on your greater humanity, and the bigger picture of your life. You will see clearly what to do next.

Pisces (February 19 ? March 20)

With freedom comes responsibility Pisces, so get some work done in August. Use your recent explosion of creativity to produce something tangible. It is in balancing the gifts and the structure that inner peace is attained.

Aries (March 21 ? April 19)

You will achieve victory in August if you take a slower approach. You feel more cautious anyway. Time at home will do you good, bringing a greater sense of security. Take the small victories now as a sign that you are making progress.

Taurus (April 20 ? May 20)

Pay attention to details, especially in any decision-making. Projects that require hard work will be on the table, but you can handle it. By mid-August you will be feeling stronger and more peaceful. This is a great time to take a vacation.

Gemini (May 21 ? June 20)

After the great emotional purge of July, you feel like a new person in August. You quickly get back on track, expressing your most recent adventures in the emotional realms. You may even feel like taking center stage for some recognition.

Cancer (June 21 ? July 21)

Fertility is a theme for you in August. What do you want to create, or give birth to, in your life? Focus on the lighter, more playful goals, and you will feel like a winner. Now is the time to enjoy the heat of the Sun, and grow.
