

This Liberal is voting PC this time around

(Re: Newmarket-Aurora is a Liberal seat and should be a Liberal seat, argues Health Minister, May 8, 2014)

Deb Matthews has been the most incompetent and cowardly Health Minister that Ontario has ever seen.

Chronic illness has reached a level that will ultimately bankrupt this province, yet Matthews and her buddy, Premier Wynne, continue to use partisan staff to isolate themselves from the facts.

Matthews is a focal point to the waste that spans our \$49 billion health care debacle. Neither Matthews nor Wynne are even remotely capable of the implemented the health care system overhaul that has been needed for a decade.

As they fumble to maintain political power, we feel the pain as the quality of our 'free' health care continues to decline.

I am a lifelong Liberal and have known Chris Ballard as a decent person for 15 years. However, we need the current corrupt Liberals out of Queens Park immediately.

My 'Liberal' vote goes to PC candidate, Jane Twinney - and it will continue to do so until every last trace of Wynne and Matthews have been wiped from the Ontario Liberal Party.
